

## **HOTEL ACCOMMODATION RATES FOR RETURNING OVERSEAS SINGAPOREANS**

*Live document updated as of 27 March 7.00pm SGT*

*Best viewed via Desktop*

Dear fellow Singaporean,

We understand that some of you may be returning to Singapore and need to serve out a 14-day Stay-Home Notice (SHN). If you are looking for accommodation during this period, you may consider some local hotel properties that have come together to support fellow Singaporeans, by offering preferential rates to returning residents on SHN.

Please also take note of the following:

- Room availability and rates/charges may be subject to changes during this fluid situation.
- Please contact the properties directly if you need more information or to make the booking(s), by quoting "SGN".
- Guests will have to adhere to the respective hotels' guidelines and procedures (including those on SHN) during their stay.
- This is a live document and may be subject to changes.

### **Stay-Home Notice**

**Upon your return to Singapore, you MUST comply with the 14-day Stay-Home Notice (SHN).** The 14-day period of the Stay-Home Notice will commence from the day of your return to Singapore (Day 0) and will lapse after Day 14. You may refer to <https://service2.mom.gov.sg/shn/shn-calculator/> to check on your SHN requirements.

***[For Singapore residents arriving from the UK and US]*** It is mandatory for all returnees (whether SC/PR/LTP) from US and UK and arriving from 25 Mar 2359 onwards to stay at dedicated hotels for the duration of their SHN period. Those who are affected do not need to make prior bookings. You may contact the SHN helpline at +65 6812 5555 for more information. FAQs for returning Singaporeans may be accessed at <https://go.gov.sg/weareinthistgt>.

***[For Singapore residents arriving from countries other than the UK and US]*** Given the number of imported cases, and for the sake of your loved ones and the broader community, please respect the SHN and follow the measures listed below as soon as you arrive in Singapore.

1. For the safety of your family and loved ones, do minimize contact with them. Ideally, you should not have contact with your family and loved ones till after your SHN has lapsed. Please stay at a temporary accommodation if you need to.

2. Maintain a record of who you come into close contact with. For example: Take note of the vehicle license number of the taxi or private hire vehicle you took from the airport to your SHN accommodation.
3. If you have a Singapore number, download TraceTogether: [go.gov.sg/traceapp](https://go.gov.sg/traceapp). This can be your friend/parent's phone number.
4. From the airport, go straight to your SHN accommodation.
5. Remain in the accommodation at all times during the 14-day SHN. Do not leave even if it is to purchase food and essentials, or for meals. If you are staying in a hotel, you may liaise with your hotel to make the arrangements for meals and other necessities.
6. The Singapore Government may contact you through multiple platforms, e.g. WhatsApp call or SMS. Make sure your phones are charged. You must respond within one hour. For more details on SHN, visit the following links:
